Allied Research International a year 2006 winner of Canada's 50 Best Managed Companies program

Toronto, ON, Canada (February 13, 2007) – On February 12, 2007, Allied Research International (ARI) was presented with an award for being one of Canada's 50 Best Managed Companies in 2006. The annual awards program, now in its 14th year, recognizes outstanding Canadian companies with revenues of more than \$10M annually. Winners were chosen by a panel of sponsors including Deloitte, CIBC, National Post and Queen's School of Business. ARI is very proud of this honour and wishes to thank our dedicated staff who have helped to build such a successful organization.

About Allied Research International

Allied Research International (ARI) is a member of the Cetero Research Family, the leading provider of early clinical, bioanalytical and niche late stage research services. ARI is a full service CRO specializing in early and late stage clinical trial conduct and management. Our Toronto, Canada and Miami, USA campuses have a combined 213-bed capacity for Phase I/IIa studies, and are ideal sites for Phase II-IV clinical trials. ARI is a leader in allergy and respiratory research with our focused therapeutic experience and unique models developed in our own Environmental Exposure Chambers.
